

Undergraduate Advising

- Curriculum Planning - Degree Checks
- Graduation Requirements
- Graduate School
- Education Abroad
- Undergraduate Research
- Information for New Students

Your CSE Major Advisors are experts in all matters related to the DSE department. Whether you are a new student or a continuing student, we can help you with four-year academic plans, course prerequisites, enrollments and drops, academic policies and procedures, finalizing degree checks, graduate school, getting involved with undergraduate research, career goals and the engineering profession.
